Chapin, Will Plump, Fred Lippman and J. D. Hedge. The party was on its way back from the Natives' outing at Princeton-By-The-Sea.

SAN GREGORIO, July 28,—A truck load of Natives Sons from Redwood City journeyed to our town last Sunday and made things lively while here.

R. C. Merrill is here from Campbell looking after his property interests near San Gregorio.

Geo. C. Ross and son Lee were here from San Mateo last week.

Lee Kelly and his grandmother, Mrs. Marshall, are here from Alameda on a visit to Jack Marshall and wife.

Hall Whitworth, a nephew of S. A. Barker and a resident of Newman is spending his vacation in San Gregorio.

John Jepsen, wife and sons of San Jose, greeted their many friends here last Tuesday. They were on a camping trip along the coast.

A ball game between the married and single men of San Gregorio on the local diamond last Sunday afternoon caused no end of amusement for the entire population of the town. The youngsters were easily defeated by their fathers, grandfathers, and they retired after a 14 to 6 score convinced that they must become benedicts before they can hope to win a game. The lineup is as follows: **Single men**—Antone Praeder, pitcher; Tony Silva, catcher; Lee Kelly, first base; Jack Praeder, second base; Geo. Brian, third base; Chet Bell, right field; William Bell, left field; Frank Alvis, center field; Cliff. Bell, short stop. **Married men**—Chas. Baird, pitcher; Chet. Barker, catcher; S. A. Ponce, first base; H. C. Stratton, second base; M. A. Enos, third base; Jack Mesquite, right field; Jack Marshall, left field; Joe Alvis, center field; S. A. Barker, short stop.

A very fair umpire was Wm. Alvis. Such able players as Jack Marshall, Jack Mesquite and Harry Stratton could easily join the Seals.

Surveyor Neuman was a visitor to San Gregorio last Monday, stopping considerably longer than he intended.

Miss Alice McKay, the postmistress, is seeking a rest from her labors while taking in the Fair in San Francisco this week. Her sister Beatrice accompanied her.

What might have been a serious accident was averted by the presence of mind of Jim Gray, driver of the Stanley Steamer, last Sunday afternoon on his way to Tunitas Glen. Just above the bridge the brakes failed to hold and Mr. Gray backed into the bank. The machine overturned but no one was injured and with slight damage to the machine.

Corporations Owe $7,508,624

Within the next four weeks State Treasurer Friend W. Richardson will be confronted with the task of collecting over seven million dollars from the corporations of the state. Over twenty thousand corporations have been assessed by the state board of equalization and must pay or forfeit their right to do business in this state. The largest amount of taxes is due from the railroads, with the power companies and banks close contenders for second place. These kinds of corporations will pay five and a half of the seven and a half million due. that every mail-order purchase by a citizen is a direct and deadly blow at the prosperity of his community. For practically every such commercial failure, a good home is disrupted and a sturdy, progressive family is scattered and lost to the community." copyright, 1915.

ELABORATE PREPARATIONS FOR ADMISSION DAY

The anniversary celebration of the Admission Day of California into the Union is to be, this year, by three organizations in San Francisco under the auspices of a joint committee, namely, the Native Sons of the Golden West, the Native Daughters of the Golden West, and the Society of California Pioneers. From the plans that have been adopted by the committee, the indications are that the observance of the day will be the most extensive and elaborate that has ever been arranged for.

The tentative program as outlined, includes a grand parade through the streets of San Francisco to the Exposition Grounds. Many parlors of Sons and Daughters will make special displays and each has a committee on preparations. On the grounds there will be a program of literary exercises in the Festival Hall and there is to be a public reception and dansant in the California Building.

Special features of the parade will be the "49" members of the Society of California who will be given the post of honor in line. These will be accompanied by the members of the Junior Pioneer Society.

Detachment of United States troops from the Presidio.

Detachment of the National Guard and the Naval Malitia located in San Francisco.

The National and the California Grays, independent military organizations, stationed in the Metropolis.

The San Francisco League of the Cross Cadets.

In Festival Hall, the exercises will consist of addresses by representatives of the three organizations, the Sons, Daughters and Pioneers and patriotic music, vocal and instrumental.

The officers of the Exposition anticipate that Admission Day will be one of the great days at the Fair.

AUTO DRIVER WRECKS CAR AND SAVES PASSENGERS

The rare presence of mind of Jim. Ray, driver of the big Stanley Steamer, belonging to the Ocean Shore Railroad, probably saved a dozen persons from being either killed or badly injured last Sunday afternoon at San Gregorio.

Ray was conveying a party of excursionists to the Ocean Shore depot at Tunitas and was climbing the steep hill just before reaching Palmer's place, when the gear broke and the heavy touring car began to back down the steep incline. It gathered speed at every moment and was heading straight for the deep San Gregorio creek, not more than fifty feet below.

Realizing the danger, Ray quickly turned the wheel and threw the car up against the bank on the side of the road. The machine toppled over and buried the occupants beneath. Dozens of men who had witnessed the accident, rushed up and began the work of extricating the imprisoned passangers.

Strange to say, with the exception of a few slight scratches and minor bruises, not one of the twelve men was injured. The car, itself, which was righted. after considerable difficulty, was only slightly damaged.

Grass Fire Sunday Evening

The fire department was called out Sunday evening to extinguish a grass fire on a vacant lot in the rear of R. J. Albert's residence at the corner of Hopkins and Elwood avenues, Redwood Highlands. The department arrived just in time to prevent the fence surrounding the Albert place from burning.

NATIVES SONS ENJOY OUTING AT PRINCETON-BY-THE-SEA

The members of Redwood Parlor No. 66, N. S. G. W., had an outing at Princeton-By-The-Sea Sunday. Dearbon's big auto truck and a number of smaller machines conveyed the party across the mountains to the famous Hotel Princeton, where Alex. Bonzagni, the genial proprietor had prepared one of the finest sea dinners that was ever eaten and which was cooked by Bonzagni,himself. Before the dinner took place a game of baseball was enjoyed by two teams picked from the Parlor. The game resulted in a tie.

The return home was made by way of San Gregorio and La Honda, a stop being made at the latter place to eat supper. Those along on the trip were: W. J. Plump, Thomas Coates, John J. Kelly, A. S. Liguori, John Shermantine, Lewis C. Michael, S. E. Douglas, J. D. Hedge, Harry E. Moore, P. A. Sahlberg, Harland Mansfield, Henry Beeger, F W. Lippman, O. A. Sahlberg, Peter Chistensen, H. W. Lampkin, J. J. Simmons, O. E. Doyle, E. H. Sampson, Harry H. Hanson, Frank Canno, George E. Bogel, Dr. J. E. Chapin, Milton Marcus, J. F. Dwyer, J. J. Fehrn, Jr., and Roy Peterson.

ENJOYABLE LAUNCH RIDE GIVEN BY MR. AND MRS. HAHIR

Mr. and Mrs. Joseph J. Hahir gave an enjoyable launch ride to a large number of friends last Friday evening. The party was taken to the Alaska Codfish Company's plant, where after an inspection of the place, the guests sat down to an elaborate spread prepared by Mr. and Mrs. Hahir. Among those on the trip were: Mr. and Mrs. Carl Muller, Misses Elsie and Marguerite Muller, Mrs. George Holden, Misses Emma, Alice and Lucille Holden, Mrs. Moots, Misses Pauline and Laura Hanson, Miss Ward, Mrs. Archer Kinkaid, Miss Stella Alexander, Miss Norma Jacobus, Percy Long, Mr. and Mrs. Jos. J. Hahir.

MRS. F. W. EATON PASSES AWAY IN SAN FRANCISCO

Mrs. Rose Lynn Eaton, wife of F. W. Eaton, treasurer of the Pacific Telephone and Telegraph Company, passed away at her home in San Francisco last Saturday.

The Eatons own a beautiful home on Selby Lane in this city, where they have lived during the summer months for the past fifteen years.

Mrs. Eaton was a native of St. Louis, Mo. The funeral was held from the Eaton residence in San Francisco last Monday.

Mermaids Wanted at Exposition

If there be any real mermaids in California they will have an opportunity to display their charms and swimming ability in the bay off the Marina in the Panama-Pacific exposition Saturday afternoon, July 24. This is to be "Newspapermen's Day," and all mermaids in California at the present time are invited to make themselves, known in order that the writers may enter them in an elaborate aquatic program.

High and fancy diving will be one of the features of the event, with special contests that will include racing in the waters along shore, swimming marathons across the San Francisco bay and speed contests from ships to shore. In addition to these there will be a general water carnival in which all entries will take part, the latter portion of the program to be a picturesque rough and tumble circus.

Supervisor John MacBain and County Surveyor, James V. Neuman, have departed for Santa Maria for a week's recreation and fishing.

MEN AND WOMEN.

The Glob-Democrat, commenting on the reports of the proceedings of the Missouri Federation of Woman's Clubs, finds what it considers indications of a disposition to give larger consideration to the views of men, the ladies gathered at St. Joseph being entertained and, possibly, instructed by a number of speakers of the masculine variety. This while far from a new departure in this state at least, is a move in the right direction; for so long as women surround themselves and their deliberations with the barrier of sex, made of themselves a distinct class, whose interests and asperations are different from those of men, just so long will they lack the active co-operation of their brothers, who would have a greater sympathy with their aims if they knew what they were. The average man, if he considers the matter at all, is inclined to think that a woman's club is an organization for the discussion of matters of no consequence by persons who know nothing about them, and he often has an unformed suspicion that they have an ulterior purpose of "plotting against the goverment," which is himself. Of course, he is entirely wrong about this, but who is to put him right if the women do not do it them selves by taking him somewhat into their councils and letting him see what they are trying to do?

He would be surprised, no doubt, to learn that the things they are working for, are, in the main, the things he wants done, but which he hasn't had time, nor perhaps the inclination, to attempt. For, as a matter of fact, the interest of men an women, generally speaking, are identical. There are, it is true, certain problems that are peculiar to women, and can best be solved by them alone, but the trend of the women's club movement is toward the advancement of the race, and in that there is no distinction of sex. The promotion of education, the improvement of morals, the uplifting of the home, the betterment of the town and city and county, the development of a higher type of citizenship—these are not labors for men alone, nor for women alone, but for men and women together. The women's clubs have traveled a stony road: yet they have achieved splendid results and their power and influence is growing every day. Let them continue to be women's clubs, but they should breach the wall of their isolation and find a way to awaken the interest and understsnding of men, and thereby secure their assistance and support.

The "hard times party" given at the schoolhouse on Saturday evening was not as successful as some of the affairs given in the past. Mrs. John Burr and her two sons visited friends here during the week. The Burrs resided here in the eighties when Mr. Burr was the gardener for the late C.N.Felton. The family afterwards moved to Los Angeles where Mr. Burr was elected Sheriff of that county for two terms. He died two years ago.

They will visit the exposition at San Diego and see all the interesting points in Southern California before returning. The three ladies have well earned a vacation and no doubt will enjoy the short respite from business cares.

Miss Beatrice Nickel has issued invitations for a dance which she will give on the evening of August 14 at her home in Menlo Park. Many of the guests will go down from San Francisco to take part in the night's pleasure and a number of house parties are already being planned in honor of the occasion. Miss Nickel, who is one of the most fascinating and accomplished young ladies in San Francisco, is also one of the cleverest entertainers in the state.

The call to the colors by the Italian Government is likely to result in a decrease in the Italian population of this community. During the week many reported to headquarters in San Francisco signifying their intentions of bearing arms in defense of their country. Peter Robbiano, superintendent of Holy Cross Cemetery here, went to the city yesterday to consult with the Italian consul in the hope of securing a despensation from the order sent to all Italians last week.

Mr. Clarke, aged father of Professor G. Fred Clarke, principal of the local grammar school, passed away at his home in Merced early Wednesday morning after a long illness. The deceased visited his son here a year ago and during his extended stay made many friends. Professor Clarke spent his vacation with his parent and had returned here to make preparations for opening his school when he was recalled to Merced and arrived in time to see his father before he had passed away. The deceased was a genial, wholesouled man, beloved by all who knew him.

The announcement of the marriage of Raine Bennett and Miss Hazel Mills, which took place last November, is of interest to his friends here. The young people are now living in Menlo. Raine Bennett is the son of J. E. Bennett, attorney for the Tevis estate. He is a member of the Thelta Delta Chi fraternity of Stanford, and has made a name by writing plays. "The Talisman," produced at Carmel two years ago and the music for "Aladdin" are works of his. The romance began at a charity performance of Bennett's "The South Sea Idol" given to raise funds for the blind students who wished to enter Berkeley.

The psychological moment! Would you know one if you saw it? Well, the Menlo Park Dramatic Club does, and it has seized upon one this time sure. We are all just back from vacation. We had a good time and all that, but we are tired and dusty and oh! so grouchy to have to get back to work again. What we need is something to put us in good humor, to start us off for the year with a healthy, hearty laugh. It is the psychological moment for a rip-roaring comedy, and the Menlo Park Dramatic Club is on the job with the goods. They are going to pull off the funniest thing you ever listened to, next Friday evening in the Hall of the Nativity. Howard Crane in the title role; J. J. (you know him best as Jack) keeping Howard busy and the audience too; John Morey doing the heavy; Bruce and his awfully mysterious trunk (wonder if you can solve the mystery): Donald, understudy, in the dread, dark deeds of the play; Ed, son of Martin, making his first appearance on the local stage—and with a valuable diamond at that; a new local dramatic light (guess, now), prop to the hero, and some prop too. These are some of the "dramatis personæ," as the stage book has it. But listen! There are more. A Mrs. Reed, for instance. Yes, that's the stage name. Here's a tip, though: Contrary to all traditions of the sex, Mrs. Reed, tall, slim and blonde, is a decided favorite with the girls. Then there is Cynthia. Who is Cynthia? There is only one of her in the village. Lastly—we get back to the Derrys again. There is more than one of the Derrys, you know, and they are found everywhere. This one in a trunk. Watch and see. Fun! why, you'll be giggling in your sleep all night after you see and hear it. And another thing: "The Toastmaster" is the name of the comedy—full of fun; but dsesn't it suggest eats, too? Yes, there will be refreshments—plenty of them; and John Morey is going to see that every one and everything is off the floor of that hall before the music starts. Friday evening, August 6th, 8:15 o'clock, is the time, and the admission to the play and all that comes after will be fifty cents.

New High School Tax.

One of the recent laws passed which will affect all of the people of the State is Senate bill number 819, which will be known as Section 1764 of the Political Code.

This section changes the method of taxation for High School purposes Heretofore a high school has been supported by a tax on the high school district. From now on the high schools will be partially supported by the whole county. The method of taxation shall be that the county superintendent of schools must ask for an amount equal to $60 for each pupil in average daily attendance, or in San Mateo county $60 by 378 average daily attendance, or $22,680. This will require approximately an 8c tax. This amount will then be apportioned at the rate of $250 for four teachers in each high school if there are four teachers giving full service. If there are not four full day teachers, $250 is given for each teacher employed. After this amount has been distributed the balance is prorated as to the number of children in average daily attendance. The balance needed for the support of the school is then raised by the regular tax as is now done. This method of taxation will lower the rate about five cents in the high school districts and will make a corresponding raise in districts where there is no high school. It also serves to make the richer districts of a county help the poorer high school districts.

LILLA HARRIS APPOINTED POSTMISTRESS OF DALY CITY

Miss Lilla Harris has been appointed postmistress of Daly City to succeed Samuel Cerf who had held the position for some time. The new postmaster has been a resident of Daly City for a number of years. The office here is not so large or as important as other offices of the county for the reason that much of the mail is delivered from San Francisco. All the residents of the Crocker Tract receive their mail by San Francisco carriers.

Furniture Dealer Retires

The Home Furniture Company that has been doing business in the Lipp building for the past two years retired from the commercial world yesterday. The proprietor, J. Atlas, will continue to reside in Redwood City with his family. By honest and fair dealing he has made a great many friends who will be pleased to learn that he and his interesting family are to remain in the community.

Arrested For Stealing Cattle

William Schafer who was arrested at Sacramento by Detective McGath of San Francisco on a charge of stealing cattle from Mrs. Annie Kennel of Vicitation Valley, was brought to the county jail Tuesday morning by Deputy Sheriff Bob. Congdon. He will probably be given a preliminary hearing in Judge Seely's court in a few days. Schafer was out on probation at the time of his arrest.

Judge Fredrick Henshaw, who has been down from the city for the past month and with his family, occupying his summer home west of town, is planning a trip to the Orient and will probably leave next month for the Orient. He is taking the voyage as a benefit to his health, which has been a source of anxiety to his family.

CONGRESSMEN WILL INSPECT WATERWAY

Rivers and Harbors Committee Will Make Official Visit to This City Tomorrow

Thanks to the untireing efforts on the part of Frank Eksward, Secretary of the San Mateo County Development Ass'n, and the assistance of H. C. Tuchsen, city trustee, Redwood City will be honored by a visit of the committee on Rivers and Harbors of the Senate and House of Representatives tomorrow afternoon. At the last session of Congress a committee was appointed to investigate rivers and harbors of California, and report at next session of Congress. After weeks of work, the itinerary of the committee has been made to include Redwood City. The plan is to have one of the fine Crowley launches leave San Francisco in time to arrive at Redwood City about two o'clock. Transfer from the large Crowley vessel to a smaller vessel will be made at the Codfishery. There will be approximately seventy people in the party; of these about thirty-five will be of the Congressional committee, the remainder will be made up of representative men of the state as well as representative men of Santa Clara and San Mateo counties.

The executive committee of the Board of Trade held a meeting Tuesday, July 27th. After having been assured by Mr. Eksward that the Congressional Committee had been induced to visit Redwood City, the executive committee appointed the following men to represent Redwood City: M. B. Johnson, W. J. Martin, H. C. Tuchsen, L. P. Behrens, W. C. Graves, Jr., Frank Marcus, John MacBain, George A Merrill, James Hedge, Frank Eksward, Stewart Frank, R. F. Chilcott, to meet with the committee in San Francisco, go by boat with them to Redwood City, have lunch at Hotel Sequoia and continue the journey to Alviso returning later in the evening by rail to Redwood City.

The people of Redwood City should realize the value of the visit of this committee, since a report from them favoring the expenditure of money on the Redwood City water front will carry more weight than any report could possibly carry coming from any other source. It will be up to the men appointed to represent Redwood City to see to it that the committee is properly impressed with the importance of the Redwood City narbor, to point out to them the crying need of just a little more deep water right up to the foot of Main street. The life of Redwood City, in a measure, at least, depends upon it's water facilities. Under a late decision, Redwood City will lose it's terminal rates, unless saved by better water facilities. With what little water we do have, we are able to make freight rates for the S. P. Company from San Francisco instead of having the S. P. Company make rates to us, and that, in itself, is considerable.

So much has been said, during the last few years, about Redwood City's water front. The time to get what we have hoped for is present. It is up to the committee appointed to work as they have never worked before, to secure needed aid for Redwood City's water front. It is up to the people of Redwood City! It is up to every man and woman to back up this committee by appearing in mass at the foot of Main street about two o'clock tomorrow (August 1,) to give a rousing welcome to this committee, and a real patriotic spirit would dictate that "Old Glory" be turned loose to the breeze.

The committee will leave on the train leaving Redwood City at 9:24 to meet just before 11 o'clock at Mission street wharf (Crowley's).

Joy at Halfmoon Bay Tonight.

The Young Bachelor's grand ball tonight in Halfmoon Bay will be attended by many from this side of the county who will make the trip in motor trucks and private cars. The Redwood City baseball team will start from Redwood at 6 o'clock this evening, and as there are a few seats that are not filled, Ray Griffin, the manager, asks that any parties intending to go to Halfmoon Bay, apply to him for seats. The round trip to cost $1. The Young Bachelors will have a truck start from Crosby's at 8:30 this evening and application should be made to them for seats. You may return in the morning after the dance or during the day, as there will be several motor trucks for this purpose, and the Young Bachelors assure all a pleasant, desirable ride and dance. While on one of his recent business trips to this city, M. P. Dutra, deputy sheriff and coroner of Halfmoon Bay, was author of the statement that a monster crowd of coastside people would attend the Young Bachelor's grand ball.

Court Madrone Entertains.

Exceeding all expectations, the ladies' night, held by the local order of Foresters, and which was attended by about two hundred guests, was voted an immense success. Whist was played in the lodge rooms upstairs and dancing was enjoyed in the social hall downstairs. At midnight a delicious repast, provided by the lodge members, terminated the evening's entertainment. The prize winners of the card games were: Gentlemen's first, Emile Larrouy; gentlemen's second, Eric Thompson; gentlemen's consolation, Harris Barton; ladies' first, Mrs. Charles Sahlberg; ladies' second, Misa Elinor Read; ladies' consolation, Mrs. Townsend.

BIG BOOM FOR THE OYSTER INDUSTRY

Frank L. Blinn, manager of the half-million Blinn estate, who recently purchased the Moraghan oyster beds here, plans to enlarge and inprove the plant.

Mr. Blinn has spent years cultivating oysters on the Alameda side of the bay and is an expert in his line.

LOCAL BALL TEAM TO TRY FOR COAST SIDE HONORS

Fighting every inch of the full nine innings Redwood and Palo Alto staged the fastest game ever seen on the local field last Sunday, which resulted in a 2 to 1 victory for the visitors.

The game was replete with sensational plays from start to finish, and several times the large crowd was brought to its feet by close and snappy plays. Rally after rally on the part of both teams was nipped by some clever plays. Winter on third for the locals made several big league plays and Green, McLaughlin and J. Matthieson for Palo Alto stopped several scores for Redwood by making almost impossible catches.

Sharon, formerly of St. Paul, and Killalay of Sacramento twirled for the visitors, and Chase for the "hum" boys. A costly error in the first inning was responsible for Palo Alto's first run and a close decision in the eighth scored the second run. Chaves' hit in the fourth scored Valencia for Redwood.

Chase allowed but two hits after the first inning and pitched great ball the entire game. Casey, the local catcher, hit the ball square on the nose for two three baggers but unfortunately there were none on base at the time and neither could he be brought in by the following batters.

Tomorrow there will be no game on the local field, the Redwood team leaving tonight for Halfmoon Bay where they will play tomorrow afternoon against a picked team from the coast side. The boys of the fog belt are reported to have collected a fast combination and expect to give the locals a good run for their money. Reports from the coastside say that the game is attracting great interest and a large crowd will be on hand. As this will be the first game the locals have played away from home, it is hoped a good crowd of fans will accompany the team. Auto trucks leave the S. P. depot this evening at 6 o'clock, the round trip costing one dollar. The members of both teams will be at the Bachelors' dance at Halfmoon Bay tonight. Better go.

SQUIRREL NUISANCE IS WELL UNDER CONTROL

Since the squirrel exterminating campaign formerly directed by the federal government has been taken over by the county, the inspectors have temporarily transferred their field of operations from the Portola-La Honda district to the Northern part of the county in the vicinity of Colma.

The work of eradicating the pest is progressing nicely in this district, practically everyone is taking an interest in the work and co-operating with the inspectors. No plague infection among squirrels having been discovered this year, all efforts are being directed to the economic end of the question and the districts where the rodents are doing the most damage to crops are being gone over as rapidly as possible. This is the time of year when poisoned grain is the most effective and should be used by everyone harboring squirrels. Do not wait for the inspector. Prepare the poison in accordance with the following formula, use as directed and the results will be satisfactory if the land is given three of four treatments at intervals of four or five days.

Whole barley (recieaned)	18 pounds
Strychnine sulphate (powdered)	1 ounce
Soda (bicarbonate)	1 ounce
Sacchrine	1 dram
Thin Starch Paste	1 pint
Corn Syrup (Karo or equal)	2 ounces

Dissolve the strychnine in hot water; thicken with starch to about the consistency of thin soup. Dissolve the soda in one-half pint of hot water and add a little at a time to the poisoned starch until effervessence ceases, then add the syrup and saccharine; mix well and apply to the grain, stirring constantly until the poison is evenly distributed throughout and the grain thoroughly dry.

Extensive experience with this type of poisoned barley has shown an efficiency far ahead of any other type of poisoned grain tested. Young or half grown squirrels have, in most instances been practically exterminated and the percentage of adults or full grown squirrels destroyed is far higher than with other types of poisoned grain used.

Poisoned barley prepared in accordance with this formula may be purchased from a dealer or may be mixed by anyone following the above instructions. Inspectors will give such assistance as may be needed in preparing this poison.

The liberal scattering of this or any type of poisoned grain in the run-ways or around the burrows will give the best results. The proper amount to place for each burrow is one heaping tablespoonful. Poisoned barley should not be placed in the burrows except when domestic fowl have access to the field.

All containers holding poisoned grain should be properly labeled and tightly covered and stored in a place inaccessible to live stock.

Requests for information or assistance and complaints should be sent to Inspector L. B. Jones, Redwood City.

FAMOUS MILITARY SCHOOL BUILDINGS TORN DOWN

The historic St. Matthews Military academy buildings in Hillsborough are being razed to the ground by a firm of wreckers from San Francisco.

St. Matthews school was founded by the father of Rev. William A. Brewer, mayor of Hillsborough in 1866. Up to the time of its closing last May, the institution ranked as one of the best in the state. The increased valuation of the property on which the buildings stood, was the reason for closing the school.

Union Church Services

The Methodist and Congregationalists will hold their services together next Sunday. The 11 o'clock morning services will be held in the Congregational church and the 8 o'clock evening services in the Methodist church. A cordial invitation is extended to all.

New Actions in Superior Court.

Hannah Erickson has brought an action in the superior court against her husband, Charles Erickson, for an interlocutory decree of divorce on the grounds of desertion and failure to provide. The Ericksons were intermarried at Chicago on March 30, 1904. They have two minor children, Harold, aged 11 and Arnold Erickson, aged 7 years. The complaint recites that Mr. Erickson is an able badied man who earns $90 a month. Mrs. Erickson asks for reasonable alimony and counsel fees.

Ohlsen and his wife to recover the sum of $1100. The property on which the mortgage is to be foreclosed consists of Lot 271, San Mateo Park. V. Marlave, charged with an assault with a deadly weapon, had his preliminary examination before Judge Seely on Tuesday and was held over to appear before the superior court. His bond was fixed in the sum of $2,000. Marlave is accused of shooting Lucca Dettori in the leg at the Blanchard and Brown camp at La Honda on July 9th. The firm has the contract for constructing the new La Honda road and Marlave was employed as foreman and Dettori as a laborer sent out by an employment agency in San Francisco. He had been only at work three days when he was discharged. On asking for the usual blue card from the foreman to be presented to the employment agency entitling him to the return of his fee paid the agency a quarrel took place. The foreman flew into a rage, running to his tent he secured a shot-gun and fired at Dettori inflicting a painful wound in his left leg. The Italian Consul has taken the matter up and will appear at the trial in the superior court. He had a representative at the preliminary examination and he took copious notes of the proceedings. Ross and Ross of this city and Attorney Briggs of San Francisco have been retained to defend Marlave. The prosecution of the case will be handled by District Attorney Franklin Swart.

COBURN LOSES ANOTHER ROUND IN LEGAL CONTEST

Judge Buck on Thursday rendered the following opinion denying a new trial in the case of A. J. Treat against Loren Coburn. The court also rendered a decision conditionally denying a new trial in the case of R. P. Henshall against Loren Coburn. Both cases were submitted to the court on July 23rd.

"The jury in this case returned a verdict in favor of plaintiff for the sum of $50,000. The motion now before me is for a new trial—the defendant claiming that the verdict is for a larger sum than the evidence warrants. No technical objections are raised on either side. I do not place much stress upon the point that no benefit accrued to the defendant as to the final result of the case. The defendant had a right to wage such contest in this matter as he saw fit. Whatever the reason that caused him and his friends to fight to a successful issue the case in which plaintiff appeared as his attorney in the incompetency proceedings against the defendant and in which the plaintiff performed the services for which this suit is brought is no concern of the court. The defendant having passed upon the question of benefit to him I do not care to take up the question. The services were rendered faithfully even if not economically, and the defendant is not in a position to complain. While the verdict is for a large sum of money yet I am not prepared to say that it is without evidence to support it. Motion for a new trial denied."

* * * *

"It is not pleasant for a court to pass upon a question for a new trial wherein is involved attorney fees.

The motion for a new trial in this matter has been quite fully argued on both sides. The technical points raised do not impress me. The verdict of the jury is excessive and I deem it necessary reasons for so holding would be set out in this opinion. It is ordered that in this case the plaintiff shall within twenty days file his consent to a modification of the judgement herein and remitting all over and above five thousand dollars and costs, then said judgment be so modified and said motion for a new trial be and the same is hereby denied but in case no such consent be filed then it is ordered that said motion for a new trial be and is hereby granted."

Applied for Letters Testamentary

John Pitcher of Halfmoon Bay has applied in the superior court for letters testamentary upon the estate of Lizzie Knapp, who died on June 25, 1915. Mr. Pitcher filled a will of the deceased executed on August 26, 1914, when the deceased was 80 years of age. The petitioner is named as executor. The estate is valued at $3000. Albert Mansfield is the attorney for the petitioner. Another will was filed for probate some three weeks ago by J. M. Clarke, brother of the deceased, that was executed three years prior to the death of Mrs. Knapp.

Deputy Force Increased.

The County Government Act passed by the last legislature and signed by the Governor goes into effect on Saturday next. By its terms the office force of the Sheriff is increased one deputy, and the County Clerk is given two extra deputies. In some instances the salaries of the officials are increased, while the pay of others has been reduced. Mr. Nash has selected his brother, Clement Nash of San Mateo, to be one of the extra deputies. The new appointee is a very efficient young man, an accountant of ability, and one who is worthy of the position in every respect. The other appointee will be Miss Marjorie Winter of this city, daughter of Mr. and Mrs. Geo. Winter. She has held a responsible position with the Southern Pacific Company for five years. She is an expert stenographer and will do that work in the Clerk's office. Mr. Nash may be congratulated upon these two excellent appointments. The salaries of the chief deputy in the Tax Collector's office, the Auditor's office, the Sheriff's office, the Recorder's office, the Clerk and Assessor's offices have been increased.

Peninsula Clergy

Wednesday last the priests of the Peninsula held their regular quarterly conference. The assembly took place at St. Bruno's rectory, San Bruno, the Rev. William J. Cantwell, pastor.

Among those in attendance were the Rev. James A. Grant, the Rev. Joseph Gleason, the Rev. Thomas J. O'Connell, the Rev. A. Andriano, D. D., the Rev. J. J. Sullivan, the Rev. James Moran, the Very Rev. H. A. Ayrinhac, S. S., the Rev. F. M. Harvey, the Rev. John Casey, the Rev. J. Banbino and the Rev. W. J. Cantwell.

Many topics affecting church matters along the Peninsula were discussed.

Following the discussions, the visitors were the guests of Father Cantwell at a delightful repast.

Frazer Denies Guilt

H. J. Frazer, charged with the crime of burglary, pleaded not guilty in the superior court on Thursday. The trial of the case was set for August 13th. Kenneth M. Green appeared as the attorney for the prisoner. Frazer was formerly an employe of the Floral Cleaning Company at San Mateo and wishing to make a visit to San Francisco appropriated two swell suits of clothes belonging to Jesse W. Lilienthal, son of the president of the United Railroads. Frazer says he intended to return the garments. Frazer has heretofore borne a good reputation. A jury will pass upon his case.

George Brauner of Oakland was arrested at La Honda on Saturday last by Game Warden Maloney for fishing without a license. He pleaded guilty before Judge Seely on Tuesday and was sentenced to pay a fine of $10. He was in the act of pulling in the fish when the game warden hove in sight and hooked the offender.
